

In Caracas, Venezuela, lives under the same roof a divided family, like the rest of the country, in two irreconcilable camps: the Chavistas and the Anti-Chavistas.

Every day becomes political and controversial, until Gabby, 28 years old, announces that she is pregnant.

Will the imminent birth of a child calm conflicts and give a cement to this torn family?

Duration: 55 min | Support: Digital

An original idea of: Airam Cordido
